## **Presentations:**

- Grandmother's Secrets- Join me as we traverse the scant and conflicting data available on her life and the information we can pull from it.
- Tales From the Life of a Professional Genealogist - Seven different stories collected during my time as a professional genealogist. All but one is true. Can you guess which one?
- What's a Professional Genealogist? - In this talk I cover things you should consider before, during, and after hiring a professional genealogist. Do I need one? How do I find one? What should I expect? How do I ensure I am treated fairly?
- Forensic Genealogy: The New Frontier - What exactly is forensic genealogy? How is it applied? Is it effective? This talk will provide some real-world examples. Hold on to your hats because what you learn will open Pandora's Box!
- Misbegotten: The Illicit Path to My Patriot - Can lineage to a patriot of the American Revolution be traced down a maternal line of misbegotten children? Join me and I will share an incredible story in which illegitimacy is a family tradition!
- Genealogy and Dual Citizenship - The United States liaisons with several countries to allow dual citizenship such as Ireland, England, and Scotland. Not all countries offer dual citizenship. What exactly is dual citizenship?

I can customize a presentation to your preferences and needs upon request
